

I have been listening to K-LOVE over my FM radio for the past 5 years. On a daily basis, this radio program lifts my spirit and allows me to be a more positive person through out the day. I have also noticed other people whom I know have changed their lives as a direct result of the programming on this station. I believe it would be a great tragedy and dis-service to our community if this station went off the air. Thanks for listening to my comments.
